Comment on strengths and weaknesses of the instructor	Professor Bila explained material very well and thoroughly. He has high expectations for his students and provides many opportunities for them to meet them. Overall, he was a great professor and effective in his teaching.

Comment on strengths and weaknesses of the instructor	Best professor I have had at NC State. Knows this subject extremely well and is very good at explaining and going into depth if students aren't grasping the subject. I did average on the first exam and after going to his office hours prior to the second exam, he helped me with every question I had and I ended up getting a 100 on the 2nd midterm. Great professor.

Comment on strengths and weaknesses of the instructor	Great professor really knows what he is teaching
Comment on strengths and weaknesses of the course	He said at the beginning of the year if we are willing to work then we will do good. This is very true I went to class everyday and took great notes. He did an amazing job.
Give suggestions on how the course or how the instruction could be improved.	Nothing I really enjoyed the class
