Comment on strengths and weaknesses of the instructor	He was a good teacher. He explained things very well and gave us lots of examples to better understand the topics.
Comment on strengths and weaknesses of the course	The lab was good because it supplemented the class and cleared up things that we may have thought were confusing in class.
Give suggestions on how the course or how the instruction could be improved.	No improvement needed.
-----	-----
Give suggestions on how the course or how the instruction could be improved.	Don't put the answers to the practice tests right under each question
-----	-----
Comment on strengths and weaknesses of the instructor	Great at covering material and ensuring comprehension. Clearly wanted us to succeed
-----	-----
Comment on strengths and weaknesses of the instructor	i love bila!!!! he showed a great amount of interest in the lab sections and really cared about our success, which was encouraging and made the big lecture seem small
Comment on strengths and weaknesses of the course	great instructor, quizzes were a good way to make sure you are still staying involved in the class between tests
-----	-----
Comment on strengths and weaknesses of the instructor	He was extremely boring and I had trouble paying attention, also no one else in the class payed any attention either
Comment on strengths and weaknesses of the course	Honestly I didn't really learn anything
Give suggestions on how the course or how the instruction could be improved.	Be more enthusiastic
-----	-----
Comment on strengths and weaknesses of the instructor	I really liked Mr.Bila! He was always very helpful in reinforcing the information during class. He also made himself very available outside of class for office hours in case we needed to go over anything else.
Comment on strengths and weaknesses of the course	Loved it! No weaknesses!
Give suggestions on how the course or how the instruction could be improved.	I don't think either need to be improved.

-----	-----
Comment on strengths and weaknesses of the instructor	He seemed very invested in all of the students doing there best and was receptive and helpful the entire semester.
Comment on strengths and weaknesses of the course	The course seemed to go very smoothly and followed along with the syllabus and calendar laid out at the beginning of the semester.
